Sparing Instructions

This document outlines how to choose the leagues you would like to spare in and how to find spares when you need one.

Start by going to the Curling I/O Leagues page: <https://qualicum-district.curling.io/en/leagues>

If you are not already logged into the system, you will need to do that first. Select 'Login' from the top right corner of the page and follow the instructions.

PART 1 - HOW TO ADD YOUR NAME TO LEAGUE SPARE LIST

Once you are logged in, go to the top right corner and choose 'Account' then 'Profiles'.

The screenshot shows the website's navigation bar with 'Account' circled in red. A dropdown menu is open, showing options: 'My leagues', 'Orders', 'Profiles' (highlighted with a red arrow), 'Qualicum Curling', and 'Logout'. Below the navigation is the 'Leagues' section with a search bar and a table of leagues.
